## *\*Did you know?*

For this pattern, if you have a panel or theme fabric that doesn't have a 26 1/2" vertical measurement, you can adjust the vertical cut on your fabric anywhere from 22 1/2" to 26 1/2". This will not change the overall pattern design

**\*WOF = Width of Fabric From Selvage to Selvage.**

**\*\*WOFQ = Width of Fat Quarter From Selvage to Raw Edge.**

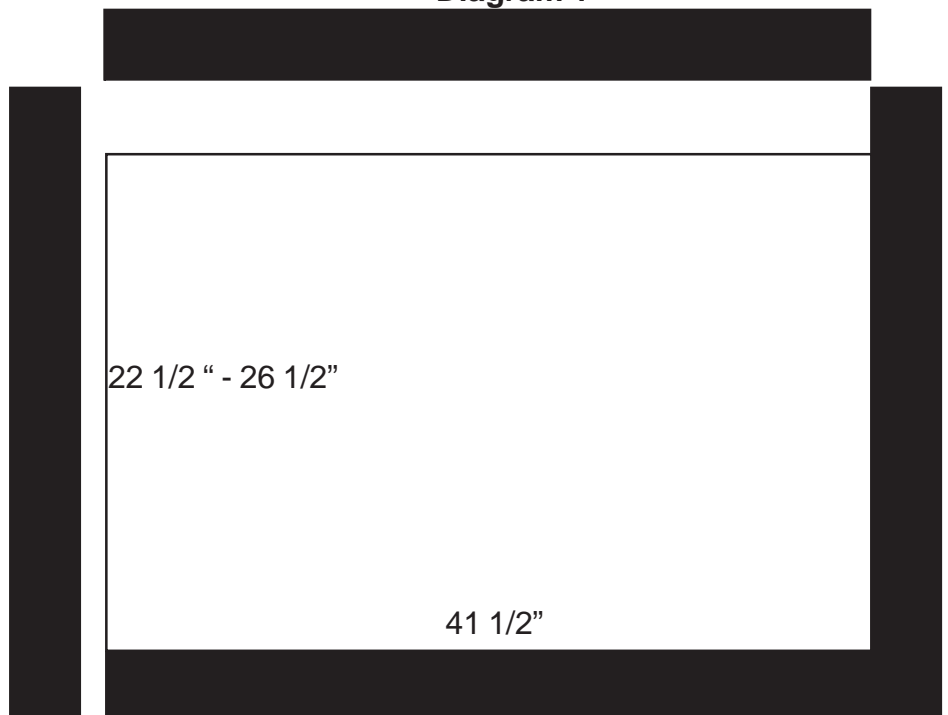

**Note:** All measurements are based on a 1/4" seam allowance unless otherwise noted.

## Piecing Instructions:

### Panel Border:

Using (2) (B) 4" x 41 1/2" Panel Frame strips, join to Top and Bottom of Panel Fabric. See Diagram 1. Press seams toward Frame Strips. To determine the length of your side Panel Frames, measure quilt through the middle from top to bottom. Using remaining (B) 4" x WOF strips, cut to equal this measurement. Join to sides. Press seams toward Panel Frames.

**Piecing Continued:**

**Bear Paw Blocks:**

**Half Square Triangles:**

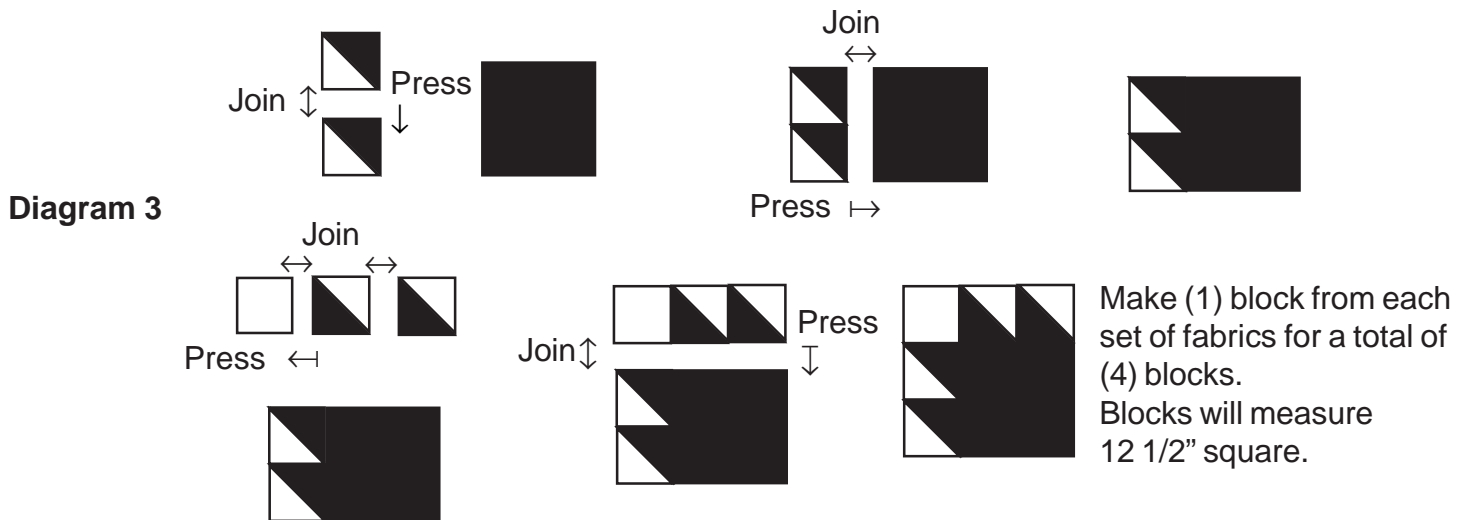

Following Diagram 2, below, choose one (D) Bear Paw Dark 5" square fabric and one (C) Bear Paw Background Light 5" square fabric. Place the (D) Bear Paw Dark 5" square right sides together with a (C) Background Light 5" square. Draw a line diagonally from corner to corner. Stitch 1/4" on both sides of diagonal line. Cut squares on diagonal line to create two half square triangle blocks. Press seams toward Darker fabric. Square down blocks (center diagonal stitching line with diagonal line on ruler running corner to corner and trim) to 4 1/2". Repeat using remaining (D) Bear Paw Dark and (C) Background Light 5" squares. You will have (16) half square triangle blocks from the Dark and Light Bear Paw fabrics.

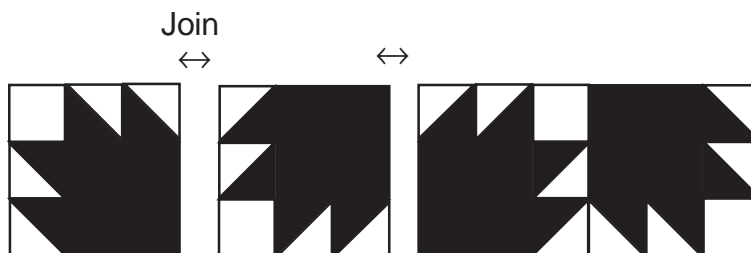

You will have (16) Half Square Triangles, (4) for each Bear Paw block. Place same Half Square Triangle block fabric with matching 8 1/2" square Bear Paw fabric for each of (4) blocks.

**Paw Block:**

Choosing a (D) Bear Paw Dark 8 1/2" x 8 1/2" Square, (4) Half Square Triangle blocks of the same Bear Paw Dark fabric and a (B) 4 1/2" x 4 1/2" Background Light square, follow Diagram 3, below, to complete Paw Block. Make (4) Paw Blocks using same Bear Paw Dark fabric in each block. Repeat with remaining 3 color sets for a total of (4) Blocks.

Join blocks into a row. Row will measure 12 1/2" x 48 1/2".

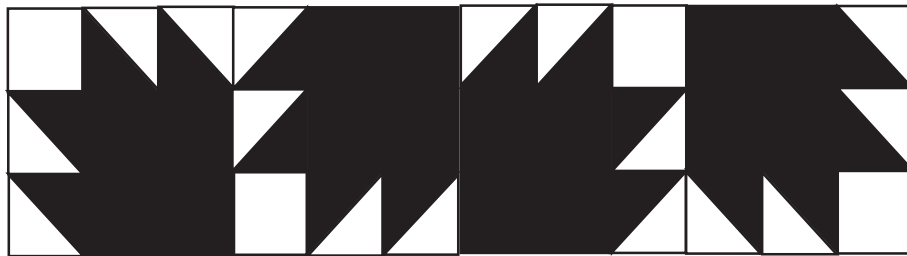

## **Layout:**

Join row of Paw Blocks to bottom of Bear Panel.

## **Borders:**

To determine the length of the outer side borders, measure quilt through the middle from top to bottom. Using (E) 4" Outer Border strips, cut to equal this measurement. Make (2). Attach border strips to sides of quilt. Press seams toward outer border. Next, measure quilt through the middle from side to side to determine the length of the top and bottom outer borders. Using remaining (E) 4" Outer Border strips, join to equal this measurement. Make (2). Attach to the top and bottom of quilt and press seams toward inner border. Your quilt top should measure 55 1/2" x 52 1/2" (if using a 26 1/2" x 41 1/2" center panel). See full layout diagram on Pg. 4.

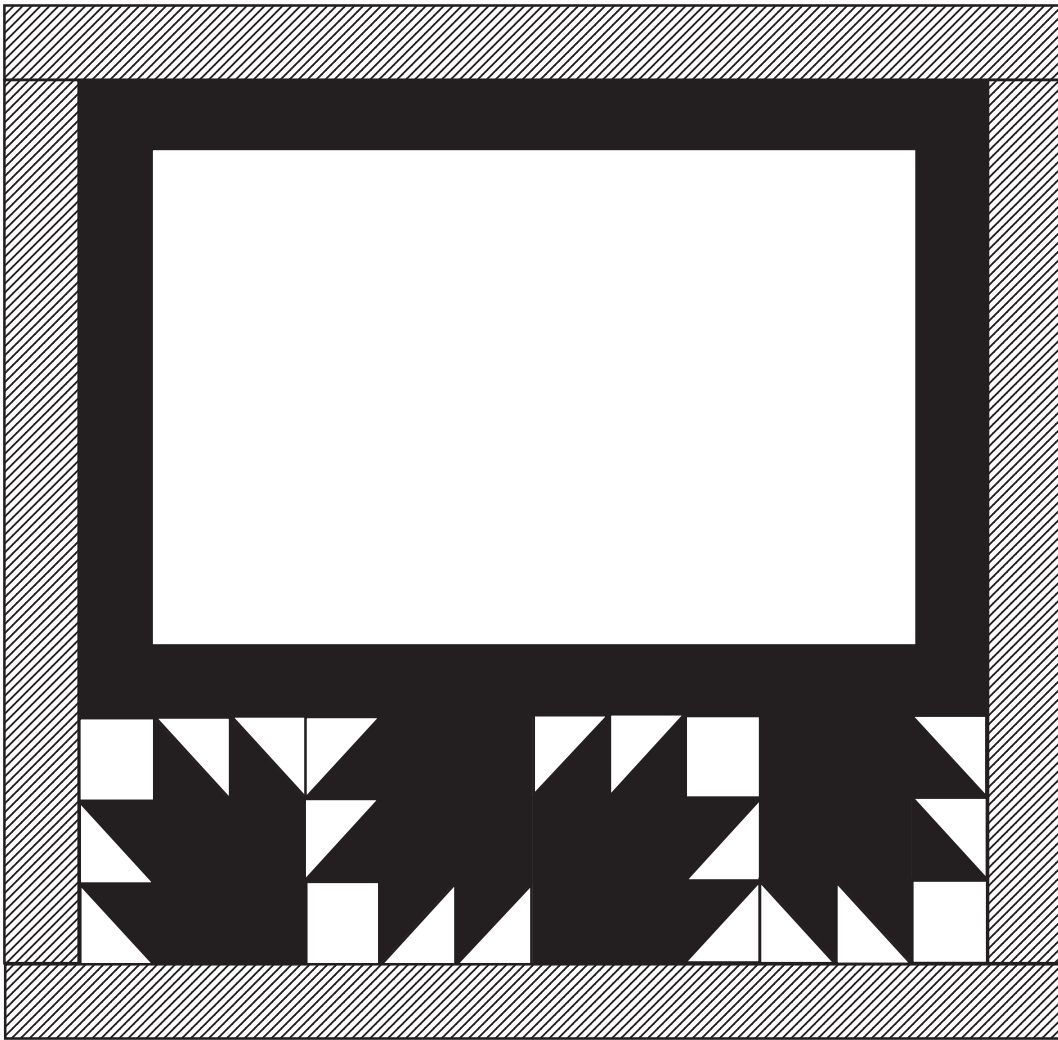

## **Quilting:**

Sandwich quilt top with batting and backing. Baste layers together and quilt as desired to enhance design.

## **Binding:**

Join together (F) 2 1/2" Binding strips and bind using your favorite method.
